AMENDMENT UNDER 37 C.F.R. 1.312

Sir:

This paper is filed, after receipt of Notice of Allowance, under 37 C.F.R. 1.312 to correct a typographic error in the Information Disclosure Statement (IDS) filed September 1, 2004 and considered by the Examiner January 7, 2007.

REMARKS

Upon review of the subject application in preparation for payment of the Issue Fee, Applicants noted a typographic error in the IDS file September 1, 2004 and considered January 7, 2007. In the submitted PTO Form 1449, Reference No. 1, under Foreign Patent Documents, is listed as 07/19065. This is incorrect. The proper document number should be 97/19065. Correction of this typographic error will not raise new issues of patentability as the correct reference was submitted and the reference is properly listed on the submitted international search report. Further, the publication date on the submitted 1449 is correctly recited as May 29, 1997.

Applicants note that the proposed Section 312 amendment does not introduce new matter into the claims nor raise new issues for prosecution. Rather, the amendment merely corrects an error in the Form 1449.

Accordingly, Applicants submit herein a corrected Form 1449 for the Examiner's signature. Applicants respectfully request the Examiner sign and enter such corrected Form 1449 and return a copy of the same to the Applicants.
